Made for iPod

Works with iPhone

Highlights

In-line remote with mic
Want to skip a track? Change the volume? Accept or reject a call? Record a voice memo? The remote features a sensitive mic as well as volume controls, call and skip functions. It can also trigger voice control. With this headset, control is at your fingertips - no need to keep your iPhone or iPod accessible or to unlock the screen.

Cushioned earcaps
Soft silicone ear caps cushioned gently in your ears for long lasting comfort. So natural you'll forget you are wearing this headset.

Big bass from a small space
Tuned speakers with air vents deliver balanced sound with a strong bass.

Flexi-Grip design
A soft, flexible part protects the cable connection from damage that otherwise would occur due to repeated bending.
